COMMUNITY READ IS BACK IN OCTOBER 2021
“In this brilliant book, Isabel Wilkerson gives us a masterful portrait of an unseen phenomenon in America as she explores how America today and throughout its history has been shaped by a hidden caste system, a rigid hierarchy of human rankings.

Beautifully written, original, and revealing, Caste: The Origins of Our Discontents, is an eye-opening story of people and history, and a reexamination of what lies under the surface of ordinary lives and of American life today.”
