Flat Summer's Predicament

This project was a collaboration with children authors, Teresa Baker - <https://www.brownboybrown girl.com/>, Candid Brandon - <https://www.candidbrandon.com/book> and Brigitte Jackson - <https://ubuntupress.org/>.

Summer, the Flint Reader - FKR, works with the folks at Flint Kids Read and the Flint & Genesee Literacy Network. Summer is enjoying a great day happily indoors in the pampered 3-D world, tail-wagging, playing, and chewing on stuff as dogs sometimes do. Suddenly Summer jumps into the smartphone while Summer's owner is taking prideful videos. Oh My! Now Summer is in the phone and a 2-D figure. Summer is flat! Well, being flat is not going to stop Summer's fun and promotion of literacy. Flat Summer needs your help. Can you? Will you? Flat Summer wrote you a letter, please read it.

*Flat Summer is a spinoff of the book Flat Stanley – a classic children's book favorite.
