FOR IMMEDIATE RELEASE

What: **National Summer Learning Week**

When: **July 6-11, 2020**

Where: Virtually via Facebook [Found Here](#) and online [Found Here](#)

Who: The Flint & Genesee Literacy Network is partnering with a wide array of public agencies, community-based organizations, schools, libraries, museums, recreation centers, camps, and businesses in our community to contribute to the well-being of youth through summer programming.
Join us!

Why: National Summer Learning Week is an advocacy week, founded by the National Summer Learning Association, aimed at elevating the importance of keeping kids learning, safe, and healthy every summer, and ensuring they return to school in the fall ready to succeed. The Flint & Genesee Literacy Network, along with partner organizations, is committed to sending a powerful message to the community that summers matter, by presenting our local Summer Learning Week.
